SERVICEMEMBERS CIVIL RELIEF ACT AFFIDAVIT

50 USC Sec.520

Instructions: The Servicemember's Civil Relief Act applies to a civil proceeding in the Justice Courts. Before entering a default judgment against an individual defendant, the plaintiff must file with the court an affidavit stating whether or not the defendant is in military service, showing necessary facts to support the affidavit, or stating that the plaintiff is unable to determine whether or not the defendant is in military service, if that is the case. The requirement for an affidavit may be satisfied by a written, signed document declared to be true under penalty of perjury. If it appears that the defendant is in military service, the court may not enter a judgment until after the court appoints an attorney to represent the defendant. If the court is unable to determine if the defendant is in military service, the court may require the plaintiff to file a bond in an amount approved by the court. To obtain certificates of service or non-service under the Servicemember's Civil Relief Act, you may access the public website: <https://www.dmdc.osd.mil/applj/scra/scraHome.do>.
