VISIT THE FOL BOOK ALCOVE FOR EXTRA SUMMER READING

Our Friends of the Library group support our summer reading every year by sponsoring the summer reading bags and some of our children's events. One of the group's fundraising projects is The Book Alcove on the first floor of the library. Be sure to visit The Book Alcove to purchase (for donations) extra reading material perfect for pool-side reading and vacations. No worries about library books left on planes! From June 5th through June 16th, you'll find many extra children's books in new and near-new condition—just in time to inspire your kids to fill out their reading logs. Thank you for your generous monetary donations to The Book Alcove. All proceeds come back to the Rockwall County Library in funds for materials, programs, and building improvements.
