

A Universe of Stories

The Rockwall County Library Presents the 2019 Summer Reading Club

The Rockwall County Library annually sponsors a theme-based summer reading programs for babies, children, teens, and adults. This year's theme is *A Universe of Stories!* The programs encourage learning & reading.

Rules

The Children's Summer Reading Club is open to children ages 2 to 12 years. Each family must have a library card to register.

The Reading Club

The club is for all children ages 2-12 whether not reading, learning to read, or already reading. Children or parents track time spent on reading activities with a time log given out at registration. Any time spent reading or being read to counts! Time spent listening to audio books also counts.

Reading Goals

Children set their own reading pace and goals. For every 15 minutes the child reads or is read to, the child receives one ticket. Children may then use their tickets to choose prizes at the Summer Reading Club Store.

Time Logs

Children keep track of the minutes read on a time log given out at registration. Children color or check off one star shape for every 15 minutes of reading. When children bring their time logs back to the library, they receive one ticket for every star colored or checked off.

2019 School-age Shenanigans

The programs for school-age children are shows by professional entertainers. These FREE performances will be held in the Library's First Floor Meeting Room. Two identical performances will be held at 11:30 a.m. and 1:00 p.m.

PLEASE note that these programs are for good listeners ages 5 & up!

These programs are not suitable for children under 5. If you are bringing a younger child along with your school-age child(ren), you must sit right next to the younger child on the floor or in the chairs.

The number of attendees at the programs is limited according to the room's fire code.

Plan to arrive early to get a seat and to avoid disappointment. Doors open 10 minutes before the shows.

Be on time! Latecomers disrupt the show. Please take care of restroom stops beforehand to avoid disruptions.

Be prepared to take a disruptive child out of the program promptly so as not to disturb others including performers.

Adults are asked to model good audience behavior for the children by turning off cell phones and not talking with others during the shows.
